

Norwegian partner search in Cultural Cooperation projects in the EEA and Norway Grants 2014-2021

In order to get the best results from your search for partners for the EEA and Norway Grants, the Arts Council Norway recommends completing the following form. The text boxes that make up the form are based on feedback that we have received from Norwegian cultural players. Tailoring the information to the potential partner/potential partner type as opposed to sending a generic request, always yields the best results. The form can be used for partnership requests sent directly to identified, potential partners, as well as those sent to the Arts Council Norway eeagrants@kulturradet.no and Programme Operators. It can also be used for Norwegian entities seeking partners in the Beneficiary States.

This form will be published on our website.
