

Norwegian partner searches in Cultural Heritage projects EEA and Norway Grants 2014-2021

The Norwegian Directorate for Cultural Heritage encourages all project promoters to consider involving bilateral partners in their EEA Grants project. This form aims to facilitate the search for Norwegian partners for cultural heritage projects under the EEA Grants. The filled in form can be sent to the organisation(s) you would like to cooperate with. Or, if you have not found a potential partner, you can send it to eeagrants@riksantikvaren.no and the Directorate for Cultural Heritage will assist you in your search.

All partner requests must be sent minimum three weeks before the deadline of the call to be considered, but we encourage project promoters to start their search as early as possible, and to involve the potential partner in the project development. We also encourage project promoters to address potential partners directly.
